In the first half, time can run out while a player is shooting a free throw, but the free throw attempt is allowed even after the time has expired. This cannot happen in the second half, as time should be stopped in the last 2 min during a free throw, time out and dead balls
- One 60 second time out per half and one in overtime per team (no timeouts can carry over)
- Halftime is two minutes long FOR ALL AGE GROUPS
- Officials and YMCA Sports Directors can stop the clock at their discretion.
- In the event of an injury, the clock will stop and then resume when the injured player is removed from the court

The decision is made at the referee's discretion whether that child will be allowed to continue playing. Appeals may or may not be considered. **FOUL PLAY OR UNSPORTSMANLIKE CONDUCT WILL NOT BE TOLERATED!**

Offensive or confrontational language is illegal. Officials have the right to determine offensive language. If offensive or confrontational language occurs, the referee will give one warning.
